1 Introduction

CORENET 2.0 is a major technology refresh of the current CORENET e-Submission System ("CORENET") and seeks to improve the current user experience. It is part of a longer-term plan to transform the regulatory approval process and will serve the industry prior to the implementation of CORENET X.

CORENET 2.0 e-Submission is a G2B (Government to Business) internet-based system that enables industry professionals to submit project related electronic plans and documents to regulatory authorities for approval within a secured environment.

1.1 Purpose

This document shall serve as a user guide for Public Users to access and use the CORENET 2.0 Portal and ESPro.

1.2 <u>Audience</u>

The intended audience for this document shall be the Public Users using the CORENET 2.0 Portal and ESPro systems.

2 Getting Started with ESPro

2.1 ESPro Installation

This section explains on how to download and install ESPro to your Windows 10 and above PC.

2.1.1 Download ESPro from the Corenet 2.0 website (https://www.corenet2-ess.gov.sg/document/) under "Software Downloads";

CORENET2 About Announcements Online Submission	Software Downloads	Login here for your CORENET e-Submissions Q							
Home / Software Downloads

Software Downloads									
Soltware Dowinoada									
ESPro (1.6)									
The ESPro application tool is an offline tool that helps the e-Submission u	sers to manage and prepare the plans and de	ocuments for submission to the regulatory authorities via the CORENET e-Submission System							
Release Notes									
Download									
Form Viewer (4.1.5)									
This program enables users to launch and use .XFD/.XFDX file format.									
Release Notes									
Installation Guides									
Download									
Public Testcase									
For the purpose of this testing, please download the test case.									
ESPro and Portal Testcase	Download								
Formviewer Testcase	Download								

2.1.2 Run the downloaded .exe file

Choose 'Standard' installation if you want standard installation procedure; otherwise choose 'Custom' in order to customize your installation.

- Standard installation shall install ESPro, Netrust and Form Viewer together
- **Custom installation** shall install either Netrust or Form Viewer (as per the your selection), but ESPro is mandatory
- 2.1.3 To complete the installation, you need to restart the computer.Click 'Yes' to restart or 'No' to restart later.

For more details on ESPro installation, refer to ESPro Installation guide from Software Downloads > Installation Guides.

2.2 ESPro Migration from CN1 to CN2 (for existing CN1 ESPro Users)

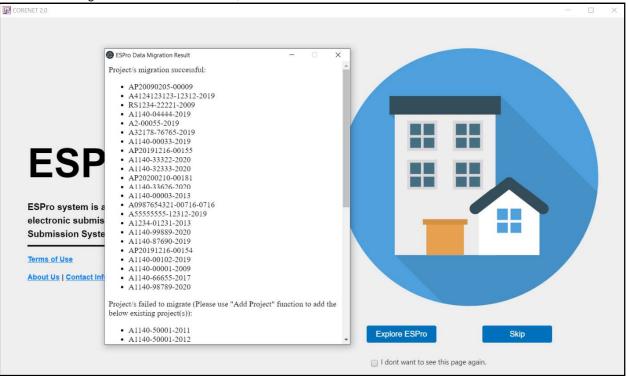

- 2.2.1 Launch the Installed CN2 ESPro.
- 2.2.2 System shall bring the user to this Landing Page, displaying the below highlighted ESPro Migration pop-up;

S. No	Function	nction Description						
1.	Path	Select the current CN1 ESPro path						
2.	Migrate	Select the Path of your current CN1 and click "Migrate" in order to migrate the details from CN1 ESPro to CN2 ESPro						
3.	3.CancelClick "Cancel" if you do not want to migrate the details from ESPro to CN2 ESPro. Note: If you are a new user, then please click "Cancel"							

2.2.3 System shall migrate the details from CN1 ESPro to CN2 ESPro successfully and shall display a pop-up window with migration successful details;

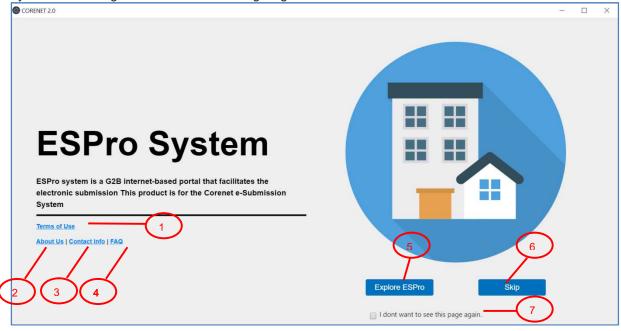

- Project(s) failed to migrate are projects which has been manually deleted by user from local ESPro folder <C:\CORENET-ESS\ESPro\ESubmission\ProjectProfile>
- User may use "Add Existing Project" or "Import/Export" functions to add such projects to CN2 ESPro.

3 Overview of ESPro

3.1 ESPro – Landing Page

- 3.1.1 Launch the Installed CN2 ESPro
- 3.1.2 System shall bring the user to this Landing Page.

S. No	Function	Description
1.	Terms of use	Clicking this shall navigate you to the "Terms of use" page
2.	About Us	Clicking this shall navigate you to the "About Us" page
3.	Contact Info	Clicking this shall navigate you to the "Contact Info" page
4.	FAQ	Clicking this shall navigate you to the "FAQ" page
5.	Explore ESPro	Clicking this shall pop-up a window to play a video tutorial on the new ESPro
6.	Skip	Clicking this shall navigate you to the 'Home Page" of ESPro
7.	I don't want to see this page again	Clicking this shall not display this "Landing Page", the next time you launch the ESPro, but shall navigate directly to "Home Page" of ESPro.

S. No	Function	Description
1.	SingPass - Individual Login	Clicking this shall redirect user to "SingPass" – Individual login page. Upon entering valid credentials, user shall be redirected to ESPro
2.	Singpass – Business UserLogin	Clicking this shall redirect user to "Singpass" – Business User login page. Upon entering valid credentials, user shall be redirected to ESPro

Additional Information:

_

If a first time user logs in into ESPro directly w/o updating their details in Corenet 2.0 Portal, then system shall display a pop-up window ""Unauthorized User. Please login into Corenet 2.0 Portal and update your user profile, before logging in into ESPro". In such cases, users are advised to login into Corenet 2.0 Portal and update their **User Profile**, before logging into ESPro.

4 Functions of ESPro

4.1 ESPro -Synchronization

4.1.1 Auto Sync

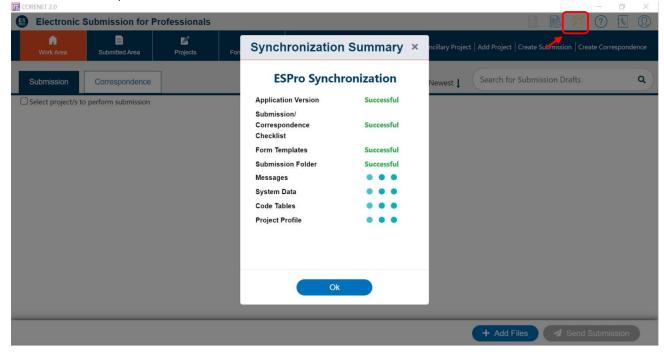

- Upon launching the ESPro, the system shall automatically sync (yellow sync icon) the following details at the background;
 - Application Version (if a new version of 'ESPro' is found, then user will be notified of the same through a pop-up, asking to acknowledge installing/upgrading to the new version)
 - Submission/ Correspondence Checklist (forms to be attached with respective application types)
 - > Form Templates (downloads latest application forms)
 - Project Profile (checks if the registered projects are outdated, and if yes, will highlight those in "RED")

CORENET 2.0

ES	Electronic S	Submission for l	Professionals		
	Mork Area	Submitted Area	Projects	Form Templates	Migrate New Project New Ancillary Project Add Project Create Submission Create Correspondence
	Submission	Correspondence			Sort by Date - Newest J Search for Submission Drafts Q

4.1.2 Manual Sync

- Upon manually clicking on the "Sync" icon, the system shall start syncing (yellow sync icon) the following details;
 - Application Version (if a new version of 'ESPro' is found, then user will be notified of the same through a pop-up, asking to acknowledge installing/upgrading to the new version)
 - Submission/ Correspondence Checklist (forms to be attached with respective application types)
 - Form Templates (downloads latest application forms)
 - Project Profile (checks if the registered projects are outdated, and if yes, will highlight those in "RED")

- The synchronization function shall only work when your PC is connected to the Internet.
- User may still use ESPro to prepare submissions/correspondence while ESPro sync (Manual & Auto)is still in progress. But users will not be able to log in, only can log in after sync is complete.
- User may manually sync by clicking the 'Sync' icon, for which no user authentication is required.
- If "sync" button is displayed in yellow color, then it indicates that the sync is still in progress.
- If "sync" button is displayed in green color, then it indicates that the sync is completed.

- The difference between "Project Address" and "Project Site Description" is that:
 - Project Address is for address which has Postal Code (e.g. For A&A works), and
 - Project Site Description is for new erection, which temporarily does not have a Postal Code.
 - Either 1 of the following is mandatory;
 - > Mukim
 - > Address
 - > Site Description
 - Block Details is optional

4.3.5 Under 3. Project Address> Address section, enter a valid Postal Code and click on Retrieve button. System shall pre-populate the Building Name, House/Block No., Road Name. Click ADD and click then Next or click on 4. Project Members.
